

Founded in 2004 by Mark O'Connor and Mark McElroy, Marcon has become one of the UK and Ireland's leading fit-out specialists.

By maintaining strong relationships with our supply chain, robust internal health, safety and quality procedures and a focus on sustainability, Marcon deliver superior fit outs across retail, hospitality, commercial and visitor attraction venues.

We are proud to be the contractor of choice for many business professionals, designers, architects, and business owners, continually working closely with them to bring their vision to life.

Our service incorporates:

- Pre-engagement
Clear reporting / escalation process
- Understanding specification and integration requirements
- Detailed design development
- Budget control
- Risk management
- Project management
- CDM regulations
- Stakeholder management
- Project close out / handover

We operate across the UK & Ireland within a range of industry sectors:

Hospitality	Hotels, bars, restaurants, fast food and food court outlets
Quick Serve Restaurant	New builds, drive thru installations, Re-image stores, new concept upgrade
Retail	High street, shopping centre and out-of-town
Office and Commercial	Commercial premises, office interiors, reception areas, airports, universities, industrial units
Heritage	Museums, exhibitions and visitor attractions

What we do..

In-House Joinery

Our in-house joinery manufacturing facility is equipped with the latest cutting-edge machinery and our skilled craftsmen are recognised for producing the highest quality bespoke joinery with integration of Corian®, HI MACS® and Staron®.

Fit-Out

Marcon work collaboratively with clients and design teams to deliver all aspects of fit-out including sourcing and purchasing suitable materials and management of specialist subcontract packages to deliver a project that exceeds client expectations.

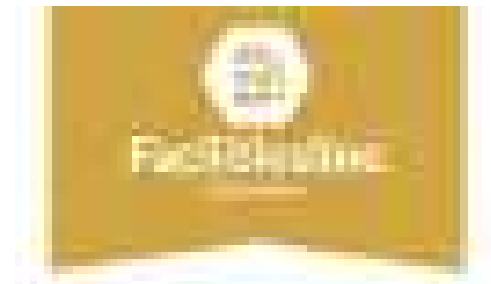

Construction/ Project Management

Marcon apply robust procedures and processes for each stage of the project, guaranteeing all elements are fully co-ordinated with respect to each other and to the building structure and fabric ensuring programmes and budgets are successfully achieved.

Design & Build

Marcon has the in-house capability to take your initial brief and work in collaboration with our design partners and supply chain members to provide a full 'turn-key' solution, incorporating Design to create new, innovative and inspiring spaces.

*Our Credentials are sound...
Marcon have memberships
and are accredited to the
leading industry bodies
within the interior fit-out
sector.
Clients are rest assured their
projects are completed to
the highest standards of
health, safety, quality and
environmental.*
