

Quality Policy Statement

It is the policy of Marcon to provide the highest possible Specialist Joinery and Fit Out services to our clients.

The achievement of high quality and consistency calls for a systematic and disciplined approach by all staff in all activities associated with the delivery of the customer's specific requirements. The company is committed to complying with the requirements of ISO 9001:2015 and its own quality management system and will aim to continually improve the system through the setting and reviewing of quality objectives.

It is part of our training programme that this policy is understood, implemented, and maintained at all levels in the organisation.
